BABCOCK SAILOR
DEAD IN HARBOR

JAPANESE ATTEMPTS TO LEAVE
THE VESSEL BY HER STERN
LINES AND IS DROWNED.

Toma Ichi Sin, a Japanese sailor who
had shipped aboard the ship Babcock
was drowned last night in an attempt
to desert the ship, according to the
stories of the captain, members of the
crew and the ship's mates. His body
was picked up early this morning by
men of the Babcock and brought ashore
in one of the ship's boats.

Several of the Japanese sailors of the
Babcock were in swimming alongside
the vessel, which lies with her stern
within a few fathoms of the reef, last
evening. The mate noticed Toma Ichi
sitting on the bottom rung of a
rope ladder kicking his feet in the wa-
ter and thought he was going in swim-
ming with the rest. Later, about 6
o'clock, Toma was seen attempting to
get ashore by way of the Babcock's
stern lines.

The presumption is that the sailor
could not swim and fell from the moor-
ings.

Captain Stinson of the Babcock is
playing in hard luck. His vessel put
in here two weeks ago in distress,
needing fuel and having been 189 days
at sea from Baltimore. Several of the
crew were sent to the hospital with
scurvy and the ship was labelled by
her men for damages. He signed on a
Japanese crew and has daily hoped to
get away. He may get away to-mor-
row.

HOUSE LOT

BEACH BATH LOT

Near residence of J. A. McCandless
Esq., adjoins the old Afong premises.

JAS. F. MORGAN,

Hilo And
M'Candless

L. L. McCandless has received a let-
ter from an elective officer of the
County of Hawaii in which he is com-
mended for carrying the Governor's
proposed Lanal land trade into the
courts. This officer inform Mr. Mc-
Candless that the Hilo people stand
ready to contribute money for him to
carry the fight on with. The feeling,
according to that official, and the Hilo
papers, seems to be universal that the
proposed trade should not be made.

Allan Herbert this morning sent Mr.
McCandless a check for \$50 and prom-
ised to send him more should he need
it in the fight.

One of the letters received in town
from Hilo reads in part as follows:

"Very many who oppose the deal feel
that there is absolutely no use in send-
ing a written protest to the Governor
about any public land transactions.
When he gives a notice in the papers
apparently to hear objections, if any,
it is the common remark, 'It will go,
no matter how many objections there
are,' or 'It's all cut and dried and you
will only waste your postage stamp.'
It is for that reason that very few
people here have any confidence in the
fairness of the Governor, that they are
glad to see it go to the courts. I feel
warranted in saying that outside of
the offices held here under the Gov-
ernor a dozen men could not be found
in this town who approve of the Gov-
ernor's Lanal land trade."
